Xulon Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Miracles happen every day for those who believe! Sometimes when all the news is bleak and negative, we need to remember that is when God can and will take over and change everything. Mom, Aaron hit the tree with his head and I can t see him anymore. He s down on the road going back to Pap s. Hurry, Aunt Net we have to pray for Aaron. We have to form a circle like we do in church. We have to believe like you and Debbie tell us. I told her that I wanted more for him than healing that I wanted a complete miracle for him. A true story about an 18 year old, Aaron Hahn, who was involved in a four wheeler accident and was given a zero to ten percent chance of living. This incredible story is about the faith it took for one family to truly believe in miracles and to realize that miracles occur when you listen to that still small voice and follow the Holy Spirit promptings even when it makes no earthly sense.Included in this story is the actual case study review completed by the Life-Net flight nurse, Crissy Cessna, RN, PNRN, NREMT-P. Annette Rasp is an author who enjoys writing about true life stories about her family s life experiences. She hopes that the stories she writes about give hope and courage to others who are going through the storms of life.
