

Athletic Taping and Bracing-3rd Edition

By David Perrin

Human Kinetics. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 10.9in. x 8.4in. x 0.4in. The premier text for athletic taping and bracing is now revised in a stunning third edition. Athletic Taping and Bracing retains its emphasis on the techniques most commonly used by athletic trainers and therapists while integrating the science of anatomy and injury mechanisms with the practice of athletic taping and bracing. Plus, the third edition expands on traditional taping by including methods for rigid strap taping and elastic kinesiology taping. Athletic Taping and Bracing, Third Edition, includes more than 480 full-color illustrations and photos, providing invaluable visual aids for both students and professionals. These include superb three-dimensional anatomical images from Primal Pictures. The photos that depict taping sequences feature tape with darkened edges that enable readers to distinguish the layers and patterns of the tape applied in each step. With its concise anatomical descriptions and detailed anatomical illustrations similar to those normally found in advanced texts on anatomy, the book clearly highlights the mechanisms of injury that are crucial for understanding effective taping and bracing. The text thoroughly discusses and illustrates the general principles of taping and bracing for each major joint and body region. The...
