

The Unforgiving Tides The True Story of a Young Doctors Encounters with Mud, Medicine, and Magic on a Remote South Pacific Island.

By Ross Pennie

Manor House Publishing Inc. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. This is the creative retelling of Dr. Ross Pennie's true adventures as a medical volunteer on a remote South Pacific island. At 25, Pennie is fresh out of medical school when he heads for Papua New Guinea. As Pennie recalls: It was an uneventful stay, except. . . I faced amputating a young woman's leg with a hacksaw; I performed my first-ever appendectomy during an earthquake, the hospital was turned into a temporary tavern to treat alcohol-poisoning victims. . . I developed milk formula that saved the lives of scores of malnourished children; I grappled with culture shock and indifference to my efforts; and I encountered a life-altering crisis of confidence that left me questioning why I'd ever gone to Papua New Guinea in the first place. *The Unforgiving Tides* is a testament to the strength of the human spirit - and the limits of modern medicine. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
