

Outlines of American Railway Transportation (Classic Reprint)

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of American Railway Transportation A comprehensive study of transportation would include a survey of the transmission of goods, persons, and ideas by means of all known vehicles of the land, water, and air. The course of study here outlined is confined to an examination of the economic and social aspects of the transportation of goods, persons, and mails upon railroads, and with special reference to conditions in the United States. In this study, matters of first importance concern the relation of the railway business to other businesses and to the nation as a social unit. The theory and technique of railway organization and management, especially as regards finances, are treated in certain general aspects as are also some phases of water transportation. Certain principles which are here developed pertaining to public policy in matters of transportation and to the functions and powers of railway corporations are generally significant in the wider field of public utility enterprise. Students should be careful to note and offer for discussion such generalizations as may appear to apply with like emphasis in the consideration of other public service activities. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
