He was healthy right up to the day he killed himself. Johnny Carson A lot of ink has been spilled covering the lives of historys most influential figures, but how much of the forest is lost for the trees In Charles River Editors American Legends series, readers can get caught up to speed on the lives of Americas most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Among Americas comedians, few if any have had the kind of influence on pop culture and society like Johnny Carson, the iconic host of The Tonight Show from 1962-1992. In addition to winning too many awards to count, Carson is proof that imitation is the sincerest form of flattery, as admitted by subsequent comedy show hosts like Jay Leno and David Letterman, who not only vied to replace Carson but also used his format for their own shows (and still continue to do so). Carson may have pioneered the format of The Tonight Show, but he had already been involved in comedy for decades before then, starting with performances as The Great Carsoni when he was still a teen. The magic shows and comedy continued into college, where he had a running gag about interviewing pigeons on rooftops and asking them about a local political controversy. Carsons work was hailed by comedians like Red Skelton, who invited him to become a writer for him, and Jack Benny, who...
