Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

A SCIENTIFIC GUIDE TO PRACTICAL CUTTING, VOL. 1: EVERY STYLE OF GARMENT TO FIT THE HUMAN FORM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Scientific Guide to Practical Cutting, Vol. 1: Every Style of Garment to Fit the Human Form In introducing this, my third work on cutting, I do it with renewed could deuce, looking at it from Reason s standpoint, its basis being established upon the immaculate principles of philosophy and common sense, which will at once be its best recommendation to all thinking minds, who have either studied or taken an interest in how to fit the human body in all its various forms, and also to give it that character for artistic beauty of style, and elegance in its appropriateness to the structure to be suited, which is the ambition of all artistic cutters. There are many cutters, or students of the art, who have not as yet come op to the high standard here referred to, having paid but little attention to the cause-and-effect principles of the art, a strict observance of which can alone cultivate and improve the mind in that which it is essential for it to know, and fully understand the various structures of the human form, and how best to carry out the results of those ideas necessary for its requirements. It is believed that the student in taking a strict observation of the diagrams bid down in ibis work - the great variety and artistic beauty of their execution - and leading the instructive ideas explanatory of the same, will have his mind sufficiently exorcised on scientific problems with a disposition to reduce the same to practice, as to be the initiatory step to study and future progress. The present work is based on the same principles as...
