

The Rest of Us Just Live Here

By Patrick Ness

Walker Books Ltd. Hardback. Book Condition: new. BRAND NEW, The Rest of Us Just Live Here, Patrick Ness, Award-winning writer Patrick Ness's bold and irreverent novel powerfully asks what if you weren't the Chosen One? The one who's supposed to fight the zombies, or the soul-eating ghosts, or whatever this new thing is, with the blue lights and the death? What if you were like Mikey? Who just wants to graduate and go to prom and maybe finally work up the courage to ask Henna out before someone goes and blows up the high school. Again. Because sometimes there are problems bigger than this week's end of the world and sometimes you just have to find the extraordinary in your ordinary life. Even if your best friend might just be the God of mountain lions. An exceptional novel from the author praised by John Green as "an insanely beautiful writer".

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
