Hubler Enterprise/Undun Records, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Reprieve Plan for Our Ailing/Failing Roads and Bridges, is a plan that could give our roads and bridges a little more useful life. This added time is much needed to arrange financing and do the needed repairs and rebuilding. This is not a re-construction plan, but rather a reprieve plan for some of our roads and bridges currently under a death sentence unless some changes are made. These changes could be implemented with little or no cost to our government.
