iUniverse. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 9.1in. x 6.1in. x 0.5in. Numerous books and pamphlets have been written on what the author calls the American theme. However, many of these publications are nothing more than a synopsis of American tragedy and government corruption. This book has a larger, more ideal ambition, says the author. In the truest sense, *America in Perspective* is not as much a book about whats wrong with America as it is a book about whats right (or will be right) with America. *America in Perspective* is a catchy book, different than the masses. The author writes of Americas past, present and future as seen through a religious perspective. Though primarily LDS (Latter-day Saint or Mormon) oriented, *America in Perspective* can inspire anyone who has even an inkling of American patriotism. With numerous quotes from scripture, past and present religious authorities, political leaders and other sources, *America in Perspective* is a classy book that fills a contemporary need. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
