

New Word-Analysis, or School Etymology of English Derivative Words: With Practical Exercises in Spelling, Analyzing, Defining, Synonyms and the Use of Words (Classic Reprint)

By William Swinton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.William Swinton s New Word Analysis, or School Etymology of English Derivative Words - With Practical Exercises is intended to be a resource guide and textbook for English language teachers and students. The focus of New Word Analysis is the deconstruction and etymology of selected words, with a focus on the Latin and Greek suffixes and prefixes. The book opens with an introduction to the English vocabulary, including an overview of the parts of speech and the etymological classes of words. Part two of the book is devoted to Latin influenced words, focusing specifically on Latin suffixes and prefixes, as well as a guide to the study of Latin derivatives. From Latin the book transitions to Greek, offering the same overview as the Latin section but now focused on words of Greek origin. Anglo-Saxon words are examined in detail in another section, and the book concludes with a section on miscellaneous derivatives. The book is intended as both a teaching guide and a textbook for students. Study exercises are presented throughout the book for students to apply...
