Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

UNIFIED SYSTEM OF KNOWLEDGE

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Recently the world has shown great interest to the work of Grigori P. Grabovoi, head of the International Program for health improvement of man. The method of health improvement includes diagnostics, information processing, recovery process. Grigori P. Grabovoi puts into practice all work cycles, using his abilities of clairvoyance and remote information control. Digital diagnostics is performed in addition. Grigori P. Grabovoi says: I see my mission not only in curing. I perform matter regeneration (recovery) regardless of the initial state. This proves irrationality of destruction, shows the technology of salvation, and implements the fundamental principles of the world's ecological safety. Since Grigori P. Grabovoi regenerates after natural death, cures the 4th stage of cancer and the 4th stage of AIDS, when many organs are also destroyed, he naturally heals from any disease. Thus, Grigori P. Grabovoi implements the principle of non-dying as a method of preventing the global catastrophe threatening the whole world. Recovery cycle can be performed remotely without distance limitations. The program includes both the elimination of man-made disasters that could lead to global catastrophes, as well as control of events that overcome critical conditions as a result.
