Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

INFECTED FREAKS VOLUME ONE: FAMILY FIRST

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A NEW KIND OF ZOMBIE HAS ARRIVED! INFECTED FREAKS VOLUME ONE: FAMILY FIRST Armageddon began the day Red Dead entered the solar system. Fear leads to blame, blame leads to choosing sides--and both sides have bombs. Civil War in America turned into a worldwide conflict, leaving the planet in a new dark age. Nothing has stirred about in the ravaged mountains for two years. Abraham s heart is broken save the fading hope of bringing his lost children home. He sets out without a destination searching for signs of life--what he finds is something infected. Living husks riddled in fungus and straight out of a nightmare threaten the region. No one knows if the infected freaks are some sort of zombie created in a lab or something alien related to the approaching red planet. Where do you go when everything in the world is destroyed? Who do you trust when each survivor is a wolf in sheepskin? And how do you stop something you know so little about? For Abraham Heinz, understanding that help isn t on the way is the first step in the long journey to finding peace in a world, so cold. Survival is going to take him beyond moral limits. Hell on Earth is here in Jason Borrego s survival horror adventure--INFECTED FREAKS.
