If you are facing divorce, the assistance of a knowledgeable and experienced financial advisor can be critical as you evaluate your options and make important financial decisions during this stressful and uncertain time in your life. We focus our practice on working with divorcing individuals to provide clarity on the critical financial issues that arise before, during and after divorce. We will help you take control of your financial life by guiding you through the practical steps of identifying and understanding your individual and marital assets and liabilities, analyzing and determining your personal financial needs, and preparing and monitoring a financial strategy to support your lifestyle. Our goal is to provide you with the tools that empower you to make long-term and short-term financial decisions. With the proper financial education and planning, you will be better equipped to make comprehensive, suitable, and sustainable choices.
