Health Communications. Paperback. Book Condition: New. Paperback. 400 pages. Dimensions: 9.0in. x 5.9in. x 1.0in. Every individual astrological chart is a snapshot of the moment we are born, when each and every sign of the celestial zodiac portends special relevance to our entire lives. *You're Every Sign!* describes the gifts, drives, and personality traits of the Sun Signs, how to use them to achieve our life's mission, and how to live the most satisfying life possible. The more we understand how to channel the power of our Sun Signs, the more we can flourish. But we are much more than our main Sun Sign (eleven signs more). Mitz opens the door and leads us to greater personal insight as she reveals how each of the other sun signs affect our particular chart. Each zodiacal sign resonates within us to some degree: Each teaches a certain lesson, or life theme- while the Sun Sign under which we are born can be considered our major, or primary life lesson. This book gives you a head start in finding out what your lessons are, as well as identifying the resources you have to master them. Through this type of discovery and exploration, you'll become more empowered and fulfilled. *You're Every Sign!* gives you specific, step-by-step methods to accomplish exactly that- describing how to use the qualities of every sign to approach life in a way that enables each of us to derive the most meaning and success possible. Whether you know much- or nothing- about astrology, you'll enjoy and benefit from this book. After all, like the book says: You are every sign, and this book is about you!
