## A-Z OF TEACHING

Open University Press Jul 2013, 2013. Taschenbuch. Book Condition: Neu. 227x152x14 mm. Neuware - A - Z of Teaching provides an informative, engaging and accessible introduction to the art and craft of teaching, introducing you to a range of essential topics alongside some of the key ideas and key thinkers from the educational research literature. The topics covered range from practical teaching advice on areas such as questioning to exploration of significant themes within education such as creativity. Each entry includes: An introduction to the topic with a definition of the term An exploration of key ideas within the topic Reference to the work of key thinkers who have explored the topic in the educational literature How these ideas apply in your day-to-day practice of teaching and learning A set of questions for you to consider as you seek to develop your pedagogy in a particular topic area Further reading and references, including links to relevant writings in other publications or online sources Teaching is a broad and complex activity so whether you are thinking about becoming a teacher, training to be a teacher, or a qualified teacher wishing to keep abreast of the latest thinking in the field, the ideas contained in this book will prove helpful and constructive as you seek to develop your teaching skills. 'Every so often, a new idea unfolds that seems so deceptively simple that one wonders why it hasn't appeared before now: this is the case with A - Z of Teaching . Serving as a high-definition map of classroom teaching, it provides mentorship for survival and thriving in the profession. Comprehensive without being laboured, rich in concepts without succumbing to clutter, ingeniously economic in the identification of key themes without being trifling, Savage and Fautley manage to distil the important and inspiring...
