

How to Cook in a Jiffy: Even If You Have Never Boiled an Egg Before

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

HOW TO COOK IN A JIFFY: EVEN IF YOU HAVE NEVER BOILED AN EGG BEFORE

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Never boiled an egg before but want to learn the magic art of cooking? Then don't leave home without this Survival Cookbook: How to Cook in a Jiffy-even if you have never boiled an egg before. The Book recounts, with wit and humour, the author's own semi-autobiographical experiences of participating in finding me a meal ritual.(and) bumbling about in the wonderlands of cooking in London, where he was pursuing for four years an LLB (Honours) degree as well as Legal Practice Course (LPC) Diploma. Where this book scores over other How To cookbooks is in the manner in which it treats no question as too stupid. Its next USP is its very logical and structured approach in which it follows a step by step graduation process. You start with some very basic cooking techniques such as how to break, poach, fry, boil (and peel) an egg, learn how to handle chicken, vegetables and fish and then graduate to making such complicated recipes as cheese omelette, vegetables au gratin, baked chicken or French Onion Soup. Most uniquely, the book teaches the concept of sequencing and parallel processing in cooking that should enable busy people to create a 3-4 course meal in less than 30 minutes. The book is fun and entertaining to read. This book is highly recommended for all those young people who are about to start their University education and are going to live by themselves, probably for the first time in their lives, in self-catered dorms, hostels, halls of residence, apartments, whatever. They either starve themselves or survive on fast food--- sandwiches from supermarkets, instant noodles that you can have straight away (that you...
