Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

BRITAIN, SWITZERLAND AND THE SECOND WORLD WAR (HARDBACK)

Oxford University Press, United Kingdom, 2003. Hardback. Book Condition: New. 218 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first comprehensive study of British policy towards Switzerland during the Second World War. Switzerland occupied an ambiguous place in British belligerency. For most policy-makers, Switzerland epitomized the kind of political values that Britain claimed to uphold when it declared war on Nazi Germany in 1939. At the same time however, Switzerland's inexorable drift into the German orbit after mid-1940 inevitably prevented Britain from treating the Swiss with quite the same benevolence as had characterized relations between the two countries over the previous 150 years. This book investigates how the British government tried to resolve this problem and construct a policy that met its primary political and strategic needs, while maintaining cordial relations with, as Churchill put it, the only decent neutral in the world. The book addresses six themes: British blockade policy, the place of Switzerland in Britain's land and air strategies, London's reaction to Swiss banking activities, and Switzerland's role as an intelligence centre and as a provider of humanitarian and political assistance. While some of the problems London faced were unique to Anglo-Swiss relations, officials were rarely able to deal with Switzerland in isolation from Britain's broader diplomatic objectives. As a result the book contributes to our understanding of economic and financial warfare, the Holocaust, Anglo-American relations, the Allied strategic bombing campaign, Switzerland's place in the history of the Second World War, and the role of cultural influences on international relations. The book argues that Britain was considerably more successful in benefiting from its relations with Switzerland than has hitherto been assumed, especially in the acquisition of Swiss manufactures and secret intelligence. London thus retained...
